2. [ ] Dewitt White, Minority Counsel, House  
Internal Security Committee, called to ask whether Richard Fecteau could  
be available to appear before the Committee. I said this was quite  
premature at this time, and I had no idea as to when such an appearance  
would be possible. However, I said we would make a note of the request  
and be in touch with him as soon as we were able to give him an answer.  
I said so far as I was aware no other congressional committee had made  
such a request.
